

News from NL Provincial Health Shared Services Supply Chain

January 7, 2021

We are pleased to announce that NL Provincial Health Shared Services Supply Chain is now using the MERX sourcing platform to manage Open Call opportunities!

Vendors will be required to submit their responses to new Open Calls posted today and onwards via the [MERX sourcing platform](#).

Vendors will be required to submit their responses to Open Calls issued January 6 and before as per instructions outlined on [our website](#).

To get a better understanding of some of the features the MERX sourcing platform provides, please register and attend our complimentary webinar and access the additional recorded material below:

- [Online tutorials](#)
- [GNL recorded Vendor Onboarding Session](#)

Complimentary Webinar:

Join MERX at 11:00 a.m. NST, **Tuesday, January 12, 2021** to get familiar with how to navigate the online service and manage your bidding opportunities easily and efficiently.

[Register](#) today, you will receive an email with instructions on how to join the webinar.

We look forward this exciting new era of sourcing with you, our Vendors!

BENEFITS OF MERX:

- Enhance Vendors experience for doing business with our Provincial Health Organizations
- Interactive supply chain experience allowing Vendors to manage their bidding opportunities easily and efficiently
- Email notifications of new opportunities
- Access bid results and award notifications
- For use by businesses of all sizes

YOU MATTER TO US -
AND YOUR BUSINESS
MATTERS TO US.
