

News from NL Provincial Health Shared Services Supply Chain

December 23, 2020

IMPORTANT REMINDER:

- For Open Calls posted on or after January 7, 2021 visit: www.merx.com/NL-PHSSSC
- For Open Calls posted on or before January 6, 2021 visit: <http://opencalls.centralhealth.nl.ca/review-opencalls.php>

BENEFITS OF MERX:

- Enhance Vendors experience for doing business with our Provincial Health Organizations
- Interactive supply chain experience allowing Vendors to manage their bidding opportunities easily and efficiently
- Email notifications of new opportunities
- Access bid results and award notifications
- For use by businesses of all sizes

YOU MATTER TO US -
AND YOUR BUSINESS
MATTERS TO US.

On **January 7, 2021** NL Provincial Health Shared Services Supply Chain is moving to the MERX sourcing platform to manage Open Call opportunities.

A Vendor navigation webinar will be hosted to provide relevant information regarding this new initiative. To get a better understanding of the online bidding process and its requirements, we invite you to attend our complimentary webinar to get familiar with the navigation.

Complimentary Webinar:

Join MERX at 11:00 a.m. NST, **Tuesday, January 12, 2021** to get familiar with how to navigate the online service and manage your bidding opportunities easily and efficiently.

Register today, you will receive an email with instructions on how to join the webinar.

Pre-recorded Webinar:

Please use the following link to view a previously recorded MERX navigation session hosted by Government of Newfoundland and Labrador:

[Watch the GNL recorded demonstration](#)

Note an important difference between GNL and Central Health: Central Health only accepts electronic bid bonds.

Next Steps for Vendors:

- (1) Register with Merx
- (2) Participate in complimentary webinar – registration required
- (3) View pre-recorded GNL navigation webinar
- (4) Take advantage of online tutorials at merx.com/public/help

**ACTION
REQUIRED**
